TUCUMCARI GETS FARMING STATION

Territorial Station to Be Given National Government--Exhibit for the Fair.

Tucumcari, N. M., Sept. 1.--If the present plans of the chamber of commerce of Tucumcari and well, this city will have a government experiment station. The plan is to turn over the present territorial station, three miles west of town, into the hands of the federal government, giving the required lease for a long term of years. President Foster, head of the Agricultural College at La Grange, in conjunction with the first man of the government, Mr. Cole, has declared in favor of Tucumcari as a site for one of the additional stations to be founded by the national government soon, and it appears necessary only that the proper request be made of congress in order to have an appropriation made. The movement will begin at once.

IMPORTANT RULING BY SUPREME COURT

Santa Fe, N. M., Sept. 1.--The territorial supreme court has handed down five judgments to the same effect, which held before, there being a vacancy in the fourth judicial district, which president Taft is expected to fill soon. The opinions were handed down as follows:

Young & Norton et al., appellants, vs. M. C. Hinderling, appellee, remanded to the lower court for further hearing. It involves an appropriation of 200 acres and the waters of La Pata river in San Juan county to reclaim 14,000 acres and is the most important irrigation case ever before the supreme court, as it involved law points for which there were no preceding decisions.

In response to a request of the El Paso Fair association, that this county make an exhibit at the coming fair, the board of commissioners has agreed to exhibit in order to demonstrate the remarkable success of dry farming in this county, especially in regard to broom-corn and foodstuffs. Quays county has none other than dry farming methods with which to raise crops and its exhibit should prove interesting.

ALL YOUR STOMACH TROUBLE VANISHES

No Indigestion, Gas, Heartburn or Dyspepsia Five Minutes Later.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapiesin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome sour, gassy or out-of-order stomach five minutes afterwards.

If your meals don't fit comfortably, or if you feel like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your Pharmacist a 50-cent case of Pape's Diapiesin and take just as soon as you can. The result will be no sour risings, no belching, no undigested food mixed with acid, no stomach gas or heartburn, no fullness, no heavy feeling in the stomach, no nausea, no debilitating headaches, no dizziness, no intestinal cramps. This will all be left over in the stomach to poison your breath with nauseous odors.

Pape's Diapiesin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at your drug store.

These large 50-cent cases contain more than sufficient to thoroughly cure almost any case of Dyspepsia, Indigestion or any other stomach disorder.

ROSWELL SCHOOLS ARE ALL CROWDED

The Seventh Day Adventists Elect Officers; Liquor Cases Decided.

Roswell, N. M., Sept. 1.--The crowded condition of the Roswell public schools will make it necessary to hold half-day sessions for the first three grades at the Central school from the opening, Sept. 12, until the completion of the new high school building. The high school will occupy the second floor of the Central school, from 8:30 to 1:30.

Charles Gilbert has been held for appearance before the next grand jury on a charge of interfering with an officer in the execution of his duty in connection with the Green Front raid and has given bond in the sum of \$250.

The New Mexico conference of Seventh Day Adventists elected the following officers: President, elder H. L. Hoover, of El Paso; secretary, R. L. Benton, of El Paso; treasurer, Frank Weeks, of El Paso; executive committee, elder H. L. Hoover, elder W. A. T. Miller, of Alamogordo; elder Bray, of Las Vegas; R. L. Benton and Frank Weeks, heads of departments: Sabbath school, Pearl A. Weeks, of Albuquerque; secretaries, New Mexico Tract society, Frank Weeks; Young People's Missionary Volunteer societies, R. L. Benton; secretary conference committee, W. A. T. Miller. There is a possibility that next year's camp meeting and conference may be held in Roswell.

Preparations for beginning work on the foundation of the four story Allison building have made necessary the dismantling of the shooting gallery, which has been operated on the vacant space on the lot for several years. The two story brick building, 25 by 50 feet, erected on the corner of the lot by the Masonic fraternity in 1898, will have to be wrecked early in the program.

Following the action of Justice A. J. Walton in dismissing the case against constable Fred Behringer, charged with resisting the service of process by city marshal Roy Woolf in the Green Front raid, when a lot of liquors were seized, Justice R. D. Bell has dismissed the case against city marshal Woolf for resisting Behringer, the ruling being in each case that the officer was simply discharging his sworn duty in obeying the order of the court he represented.

A shipment of "Black" and "Bar W." cattle has just been made from the Riverside stockyards.

Percy Fitzgerald has gone to Mesilla Park, to attend the New Mexico College of Agriculture and Mechanic Arts, the coming winter.

C. L. (Tab) Wilson, tried before Justice A. J. Walton on a charge of being in possession of liquor for the purpose of selling same, was found guilty and sentenced to a fine of \$100 and costs and serve 30 days in jail. Notice of appeal was filed by his attorney.

Cecil Bonner and Willis Anderson, who graduated this year from the Roswell high school, have gone to Palo Alto, Calif., to take a course in Leland Stanford university.

The school census of Roswell now being taken is certain to run close to 2500 boys and girls of school age. Many families are moving into town to place their children in the schools.

H. Maloka, Shelta, his wife, and Tommasio, Maria, and Little Shelta, their children, a Mescalero Apache Indian family from the reservation at the foot of the White mountain, west of Roswell, have been in town.
